

## **INSTRUCTIONS FOR COMPLETING COVER SHEET FOR REGISTRATION OF FEEDS**

The cover sheet form of application for registration is now being used in Delaware. It is not necessary to fill out a separate form for each feed to be registered.

1. Fill in the year, date, number of feeds, and remittance at the top of the form.
2. "Firm" name and address to be same as appearing on label. Individual submitting application should sign on line marked "Signed." If application submitted by a different firm, please enter name and address on line marked "Signed".
3. List by name the feeds for which registration is requested.
4. Attach a label for each feed listed for registration to an 8 ½ x 11 sheet of paper.
5. As many labels may be affixed to each sheet as space permits.
6. Submit both copies of application and one copy will be returned.

If labels have not been printed, and it is desired that the copy be reviewed by this office prior to printing, submit proposed copy of label in duplicate and one copy will be returned with "OK" or comment.
